Graphics Interface 2018 Release Form

This form must be completed and signed by the contact author of every accepted paper that is to appear in the proceedings. Only papers for which this form has been signed and submitted, and for which an electronic (PDF) form of the paper has been uploaded, will be printed.

You need to:

1. Complete this CHCCS/ SCDHM copyright release form. This allows us to distribute printed versions of your paper via AK Peters and on electronic versions of the proceedings, such as USBs etc. You retain copyright of your paper.
2. By signing this release you are granting the ACM permission for digital publication of your paper. This allows the ACM to store and index it in their digital library.

Sending the Release Form

Please upload scanned copies of the signed form to DropBox no later than March 19, 2018.
