Graphics Interface 2019 Release Form

This form must be completed and signed by the contact author of every accepted paper that is to appear in the proceedings. Only papers for which this form has been signed and submitted, and for which an electronic (PDF) form of the paper has been uploaded, will be printed.

You need to:

1. Complete this CHCCS/SCDHM copyright release form. This allows us to distribute printed versions of your paper via AK Peters and on electronic versions of the proceedings, such as USBs etc. You retain copyright of your paper.

2. By signing this release you are granting the ACM permission for digital publication of your paper. This allows the ACM to store and index it in their digital library.

Sending the Release Form
Please upload scanned copies of the signed form to DropBox no later than 11:59 PM (pacific time) on March 18, 2019.
IDENTIFICATION

Paper Number (also write on every page of this release): __________________________

Paper Title: ________________________________________________________________

Paper Authors: _____________________________________________________________

CONTACT

Please provide full contact information for the author or other person who will be responsible for the paper during the publication process. This person should be available and able to address any problems that might arise during the printing of the paper.

Name: _________________________________________________________________

Address 1: _______________________________________________________________

Address 2: _______________________________________________________________

Address 3: _______________________________________________________________

City: ________________________________________________________________

State/Province: ___________________________________________________________

Country and Postal/Zip Code: ________________________________________________

Phone number: ___________________________________________________________

Fax number: _____________________________________________________________

Email: _________________________________________________________________
(CIRCLE have or have not in the following, add descriptions, sign below)
I have / have not uploaded the following files for electronic dissemination by the Canadian Human-Computer Communications Society with the same non-exclusive publication rights as the electronic version of the paper: (describe files, if any)

Signature: ____________________________________________________________

(CIRCLE may or may not in the following, add descriptions, sign below)
The images in the paper may / may not be considered for publication on the digital cover of the Proceedings. Note: please give permission if you can. If only some images in your paper cannot be reproduced outside the paper (for instance, pictures of people in experimental situations), give permission as above and describe the exceptions (the images which CANNOT be on the digital cover) below:

Signature: ____________________________________________________________
(CIRCLE have or have not in the following, add descriptions, sign below)
I have / have not uploaded to the final submission site (PCS) additional images (images different from those in the actual paper, or better-quality versions of images in the paper) for consideration for the cover of Graphics Interface 2019. If I have uploaded such images, the proceedings editor has my permission to publish them. The images are described as follows:

Signature: _______________________________
COPYRIGHT AUTHORIZATION

• I give permission for the Canadian Human-Computer Communications Society/ Société canadienne du dialogue humain-machine (CHCCS/ SCDHM) to publish my paper electronically on the Graphics Interface website.

• I give permission for the Canadian Human-Computer Communications Society/ Société canadienne du dialogue humain-machine (CHCCS/ SCDHM) to publish my paper electronically in the ACM Digital Library, and on any future electronic distribution media (including on USBs etc) along with any additional electronic material submitted by me, as described above.

• I promise that I or one of my coauthors will come to the Graphics Interface 2019 conference to present the paper.

• These rights of publication and which I grant to the Canadian Human-Computer Communications Society/ Société canadienne du dialogue humain-machine (CHCCS/ SCDHM) are non-exclusive.
